MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 12 to Contract No. SP-1916 with Lockheed Aircraft Corporation, Burbank, California, OARFISH/2, Project CHALICE (AIR FORCE)

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. SP-1916 covers FOC requirements for certain models, contribution to the [] program, [] field support for same, GHE and spares.

3. Amendment No. 12 provides for partial scope of work for Item No. 8 and an additional partial funding. []

[] By concurrence to this memorandum, the Comptroller signifies that sufficient funds are available for this obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) see 85-507 dtd. 7/7/58) for each contract.

5. Concurrence in Amendment No. 12 to Contract No. SP-1916 is recommended.
